### PRINTING INSTRUCTIONS:

1. Print pages 1 and 2 on heavyweight cardstock (at least 14pt/350gsm)
2. Page 1 is the FRONT - print first
3. Page 2 is the BACK - flip paper and print on reverse
4. Cut carefully along the borders using a paper cutter for clean edges
5. Each sheet produces 10 business cards (3.5" x 2" standard size)

### CUSTOMIZATION:

- Replace 'Your Name' with your actual name
- Update email, phone, and website with your information
- Consider using a professional printing service for best results
